“ATMANIRBHAR CHINI UDYOG”

Organized by

COUNCIL OF STUDENTS' ACTIVITIES

NATIONAL SUGAR INSTITUTE

KANPUR, INDIA

Venue: National Sugar Institute,
Kanpur, India

> PREAMBLE

Sustainability & self-reliance has always been the mantra of survival for all industrial sectors and the same holds true for the Indian Sugar Industry as well. Sustainability is a multidimensional concept that encompasses economic viability, environmental protection and social responsibility. Many sugar industries around the globe are explicitly adopting good agricultural, industrial, social and environmental practices in the context of assuring economic viability, within an overarching effort to ensure the long-term sustainability of their industry.

With the shared vision of moving forward, this one-day conference has been organized where value addition, integration, technological advancements etc. in the field of sugar & allied sector shall be discussed in Indian context. The conference also aims to explore new routes for sustainable sugar sector.

> KEY HIGHLIGHTS

- ~ Waste to resource...
.... Use it up, wear it out, make it do, or do without
- ~ Value-added processing and packaging.....
- ~ Technological advancements and way forward.....
- ~ Innovation...
..... Building blocks for sustainability at scale ~

> Call for paper

The organizing committee cordially invites you to contribute your paper in this vibrant conference. Only selected papers shall be presented on the platform. The authors shall be intimated about the same via email. Full length paper, typed in English in MS Word doc with Times New Roman, 10 font size with headings in 12 font bold is required to be submitted by 15th September, 2021 to the following e-mail address: achiniudyog@gmail.com

> Stalls

A concurrent exposition of products and services for sugar and allied industry is also being organized during the conference. This will provide opportunity for the industry to showcase their innovation and contribution for a better and sustainable sugar industry.
