Invitation

Greetings !!

I am pleased to inform you that National Sugar Institute, Kanpur, India is organizing an International Conference on 11-12th October 2023 at the institute itself jointly with UP Sugar Mills Association, an apex organization of sugar millers from prominent sugar producing states of Uttar Pradesh and Bihar. The theme of the conference "Sugar Industry-Modernization & Diversification for Sustainability" is very apt in the current scenario and we expect large number of technocrats

shall share their views for improving productivities from "Farm to Factory" and on multiple issues of energy & water conservation, advancements in processing techniques, diversifications and value addition etc.

As all of you know, sugar industries in different countries face different challenges but the target remains the same, economic and environmental sustainability. It is a reality that the sugar industry has to adopt a business model to cope up with the prevailing circumstances and to make efforts for increasing the revenue streams to lower dependency on sugar revenues. I believe, Innovative processes and products hold the key for achieving the success and for which a holistic effort is required. This conference shall give you the chance to hear many eminent experts not only from India but from many other overseas countries viz. Australia, England, China, Egypt, Thailand and Iran etc. on all such issues and to draw a road map.

Along with the conference, a "Sugar Expo" is also being arranged wherein reputed machinery manufacturers, technology providers, process chemical manufacturers and others shall participate and showcase their strength. "Seeing is believing" and thus this will give a chance to the delegates to witness with their own eyes the development in plant and machinery and technology being talked about. The delegates can also have one to one interaction with them to clarify their queries on any issue creeping in their mind.

Kanpur is a historic city situated on the banks of the holy river Ganges having ancient culture and monuments. The city has history relating it to Lord Rama's period and to Indian rebellion of 1857. Today, it is considered as Industrial City and Education Hub of northern India. As regards us, established in 1936, National Sugar Institute is a premier sugar institute of the country which has played a pivotal role in growth and development of the sugar industry. It has the unique feature of imparting class room teaching supported by on the job training for which the institute has an Experimental Sugar Factory, Specialty Sugar Division, Nano Ethanol Unit and Micro Brewery. So, besides the knowledge to be acquired during the deliberations at conference, there would be much more to take back home.

On behalf of National Sugar Institute, Kanpur, India, I take this opportunity to invite you to be a part of the conference. Please block your dates.....

Looking forward to see you at the conference.

Narendra Mohan

Director

National Sugar Institute, Kanpur

> PREAMBLE

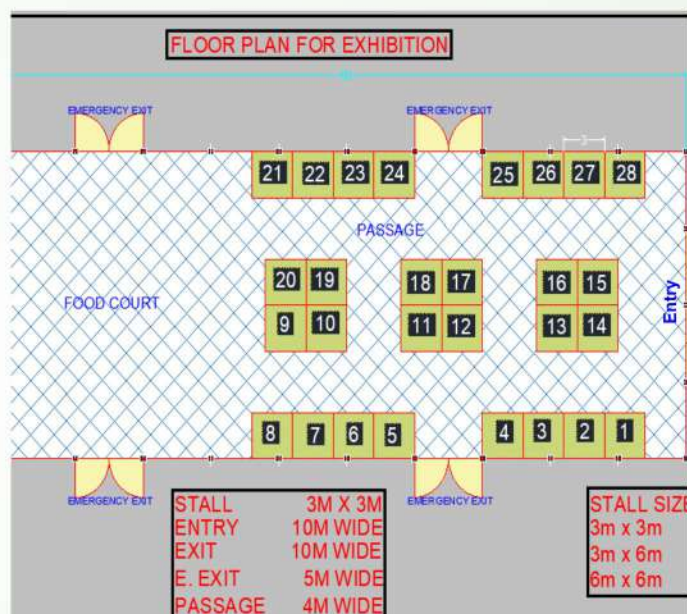

For the sugar industry across the globe, this is an era of modernization & diversification to attain economic & environmental sustainability. The Indian sugar industry has now shown the world the path for achieving the desired goals during the last couple of years. The industry has now realised the importance of converting itself from single product factory to multi-product factory and there is continuous brainstorming on transforming them into agribusiness complex or bio-refineries.

Sugar industries in different countries have different challenges but the goal is same that is to be competitive and viable. The sugar industry has to change its business model to suit the local conditions and increase the revenue streams to lower dependency on sugar revenues. Innovative processes and products hold the key for achieving the success.

With this backdrop, National Sugar Institute, Kanpur jointly with U.P. Sugar Mill Association is organizing an International Conference on 11th – 12th October, 2023 at the institute itself.

> THEME

- Sugar scenario – challenges & application
- Importance of diversification & integration
- Sugar production to meet sector specific requirement and value addition
- Innovative processes & products
- Quality issues in sweetener production sector
- Converting waste to resource
- Process techniques – innovative solutions & greener sugar industry
- Productivities – from farm to factory.

> STALLS

During the conference an Expo has also been organized to facilitate manufacturers/OEM's/Suppliers/Technology providers to showcase their products/technologies.

Limited stalls available!

Stalls in 3m x3m area or in multiple sizes shall be available.

Sr.No.	Stall Size	Charges (Indian Co's in INR)	Charges (Overseas Co's in US\$)
1.	3m x 3m	₹35,000	US\$500
2.	3m x 6m	₹60,000	US\$800

> Call for paper

The organizing committee cordially invites you to contribute your paper in this vibrant conference. Full length paper, typed in English in MS Word doc with Times New Roman, 12 font size should contain title (16 font size), name of author(s) along with email address and affiliation, abstract not exceeding 300 words on A-4 sized paper keeping double space. A soft copy of the abstract may be emailed to nsikanpur@nic.in by 18th August, 2023. Only few papers shall be given opportunity for oral presentation and other selected papers shall be published in the conference proceeding. The paper should accompany a certificate to the effect that the paper has not been published or sent for publication elsewhere.

Eminent Speakers

Mr. Arvind Chudasma
Bartens, UK

Ms. Elham Berenjian
Sugar Technologist, Iran

Prof. Narendra Mohan
Director, NSI Kanpur

Dr. Salah F. Abou-Elwafa
Assuit University,
Egypt

Dr. Geoff Kent
Queensland University of
Technology, Australia

Dr. Hanuman Sahay Jat
Director,
IIMR Ludhiana

Prof. D. Swain,
Prof. Sugar Eng.,
NSI Kanpur

Dr. Nour El-Gendy
Egyptian Petroleum
Research Institute (EPRI), Egypt

Mr. R L Tamak
DCM Shriram Ltd.

Mr. Sanjay Awasthi
President, STAI

Dr. Sushil Solomon
Ex. Vice Chancellor,
CSA University, Kanpur

Dr. Wirat Vanichsiratana
Kasetsart University,
Thailand

Organizing Committee

Chairman
Prof. Narendra Mohan
 Director, NSI Kanpur

Co-Chairman
Shri C B Patodia, President,
 U.P. Sugar Mill Association

Organizing Secretary
Prof. D. Swain,
 Prof. Sugar Eng., NSI Kanpur

Advisory Committee

Dr. Sushil Solomon
 Ex. Vice Chancellor,
 CSA University, Kanpur

Mr. Ramakant Pandey
 Managing Director,
 UPCSFFL.

Mr. Vivek Pittie
 Harinagar Sugar Mills Ltd.

Mr. Vijay Goel
 Dhampur Bio-organics Ltd.

Mr. Aditya Jhunjunwala
 K M Sugar Mills Ltd.

Mr. Murgesh Nirani
 Nirani Sugars Ltd.

Mr. Kalappa Awade
 Jawahar Shetkari SSK Ltd.

International Coordination

Dr. Geoff Kent
 Queensland University of
 Technology, Australia

Dr. Salah F. Abou-Elwafa
 Assuit University,
 Egypt

Dr. Wirat Vanichsiratana
 Kasetsart University,
 Thailand

Dr. Lakshmanan Prakash
 Southwest University, China

- Nomination of 2 complimentary delegates to the event.
- Full page B/W advertisement in souvenir/proceedings.

Rs. 1 Lakh
US\$ 1250

- Nomination of 1 complimentary delegates to the event.
- Full page black & white advertisement in souvenir/proceedings.

General Information on Kanpur

Kanpur is the biggest city of the state and is the main centre of commercial and industrial activities. Formerly it was known as Manchester of India now it is the commercial capital of Uttar Pradesh. Nestled on the banks of the eternal Ganga, Kanpur stands as one of North India's major industrial centers with its own historical, religious and commercial importance. Believed to be founded by king Hindu Singh of the erstwhile state of Sachendi, Kanpur was originally known as 'Kanhpur'. Historically, Jajmau on the eastern outskirts of present day Kanpur is regarded as one of the most archaic townships of Kanpur district.

Today, it is the 11th most populous urban city in India, largest urban agglomeration in Uttar Pradesh. The city is a well-known state's commercial center producing an excellent variety of leather and textile goods and a central industrial town of aviation, vegetable oil mills, chemicals, sugar machinery, cotton, flour, etc. It is also well linked to roadways, connecting it to all major cities of India through National Highway 2 and 25. Kanpur is also well connected to all major cities through trains and regular flights.

Sightseeing Tour of Kanpur

Kanpur hosts historically and religiously rich tourists' attractions like The Kanpur Memorial Church that was built in 1875 in the memory of British soldiers who lost their lives in India's first war of independence in 1857; the mound of Jajmau where antiquities dating back to 600 BC have been discovered. Shri Radhe Krishna Temple that boasts of a unique mix of ancient and modern architecture and 5 shrines dedicated to 5 different deities; Jain Glass temple that is decorated with glass and enamel work.

The other attractions are - Allen Forest Zoo that ranks among the best zoos of the country and many other places like Phool Bagh, Nana Rao Park, Gautam Buddha Park, Moti Jheel, Green Park Bithoor etc., which make the visit to the City worthwhile. The members visiting the city may take out time to visit the above destinations.

Nana Rao Smarak Park

Sudhanshu Ashram

ISKCON Temple

Luv Kush Ashram

Allen Forest Zoo

Moti Jheel
