**9:30 AM**

-- The Seminar objectives --

The aim of this seminar is to provide a thorough awareness of the current situation regarding sugar quality in India, the significance of abiding by BIS standards, and the actions required to guarantee the safety and competitiveness of Indian sugar. The standards of Plantation white Sugar, Refined sugar, Raw sugar, Khandsari sugar, Jaggery etc. are reviewed /developed and issued by BIS under FAD 2 committee. The speakers will significantly emphasize the sugar quality from the standpoint of consumer health and also to the safe and superior sugar access to market.
