ABOUT THE WORKSHOP

The outbreak and spread of Covid-19 has affected almost all the spheres of human life- physical, emotional and economic. With this unforeseen crisis, businesses are grappling and trying to mitigate several challenges. Like every other crisis, we have to ride this tide, adapt and come out stronger. In order to navigate this challenge, National Sugar Institute, Kanpur is organizing an online Workshop on WHO recommended Ethanol based “Sanitizer Production and Quality Control” which will help the industries to produce sanitizer as per the guidelines a step to fight Covid – 19 and also to inspire “Start Up’s”. In this workshop details related to the analysis of ethanol, Glycerol and Hydrogen Peroxide will be demonstrated so as to assess the quality of sanitizer.

Registration Fee: Rs. 500/- only

Fees to be deposited on NTR Portal or through DD in favour of ‘Director, National Sugar Institute, Kanpur’

**DD is to be sent to the following postal address:
